Sure thanks [REDACTED]

The short answer is that because there will be a primary and a general election for the congressional race our campaign can receive \$5,400 from each individual contributor. The FEC states that a candidate may receive \$2,700 for each race - and because there will be a primary and a general election a contributor may write one check for \$5,400 and designate on the note line \$2.7k for primary; \$2.7k for general.

Good morning [REDACTED],

If you would share this invitation with Jeffrey I'd be much appreciative. I would be grateful for his support and the support of those that he may direct to assist me.

I'll be in New York City the Thursday of the event through the weekend.

Again thanks

Stacey
